RE: Freedom of Information Act (FOIA) Request Number **10-RIN-00019-09**

Dear Ms. Ching:

This letter is the final response to your Freedom of Information Act (FOIA) request received by the US Environmental Protection Agency (EPA) on October 14, 2008, in which you requested information regarding the **Pasco Sanitary Landfill**.

Rod Lobos, Remedial Project Manager for the Office of Environmental Cleanup - Hanford Project Office, has been in discussion with you regarding your FOIA request. You have been provided with information on CD and via email. On October 29, 2008 you wrote by email that EPA can conclude this FOIA request. The information was provided by the Office of Environmental Cleanup.

The cost to produce your request is \$8.00; \$7.00 for 30 minutes of professional search/review time at \$28.00 per hour and \$1.00 for 1 CD at \$1.00 for each CD. However, the fee is waived due to a cost that does not exceed \$14.00.

This is not an adverse determination. However, under FOIA you have the right to appeal the following determinations:

- Records denied in whole or in part;
- No responsive records have been located;
- Denied request for fee waiver in whole or in part;
- Denied request for expedited treatment;
- Request fee category assignment;
- Agency has fully responded but because of the voluminous nature of the request, the requester may challenge the reasonableness of the search for records.

Address your appeal to the National Freedom of Information Officer, U.S. EPA, Records, Privacy and FOIA Branch at 1200 Pennsylvania Avenue, NW (2822T), Washington, D.C. 20460; Fax (202) 566-2147; E-mail: hq.foia@epa.gov. The appeal must be made in writing and it must be submitted no later than 30 calendar days from the date of this letter. The agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the RIN listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

If you have any questions regarding this FOIA response, please contact Rod Lobos, Remedial Project Manager at (509) 376-3749 or e-mail Lobos.Rod@epa.gov.

This concludes the EPA Region 10 response to FOIA request number **10-RIN-00019-09**.

Sincerely,

Nick Ceto, Manager
